**PRODUCT MANUAL**

## Charging

- For maximum pleasure, charge before every use.
- Connect the toy to the included magnetic charging base and insert the USB end into the wall adaptor or computer USB port (Computer must be turned on).
- The intermittent glow indicates that charging is in progress.
- A full charge takes up to 2 hours for 1 hour of play.
- Do not use the device while charging.

## Cleaning and Care

- Use a toy cleaner/mild soap with water to clean the product before and after each use.
- Pat with a towel and allow it to air-dry completely.
- Use with water-based lube only, no silicone lubricants.
- Please avoid contact with silicone or silicone-containing materials as it may damage the product.

## How To Use

### Without remote control

- Hold the  button on the toy to turn on/off.
- Press it quickly to cycle through 9 massage modes.
- Press the  button quickly to cycle through 9 flapping modes.

### With the remote control

- Hold the  button on the toy to enter the standby mode.
- Press the  button on the remote quickly to cycle through 9 flapping modes.
- Hold it to turn flapping mode off.
- Press the  button on the remote quickly to cycle through 9 massage modes.
- Hold the  button on the remote to turn the toy off.

## App operation

- Download the **Love Spouse** app from Google Play or App Store (the app is free).

QR code:

- Open the app on your phone and accept the User Agreement.
- Log in to your account or register a new one.
- The app will request access to the following: **Bluetooth, Camera, Album, and Microphone** - please allow access in your phone Settings.

## App operation

- Tap the **+** to add a new device - aka to connect the toy to your phone.
- Scan the **QR code** of your toy via the app. You can also add your device by entering the product code **"1415"**.

- Choose your preferred style of control: personalized or routine.
- Tap on the device on the app's homepage to begin playing.
- In the **"Classic mode"** tab, select the pattern you like the most.
- You can create your own pattern by tapping on ● and recording a new one by tapping in your preferred rhythm.
- Press the red icon to delete the recorded pattern.
- Press start/pause to turn on/pause the recording mode. Press the blue icon to save the new pattern.
- Press the wave icon to enter your own pattern list and choose one to play.
- Enter the **"Game mode"** tab to enjoy a massage while you play a game.
- When the same fruits in the game touch each other, the vibration of the toy activates. The bigger the fruit, the stronger the vibration.
- In **"Video mode"**, you can choose a local video on your phone by tapping the button **"Select local video"**.
- Select the pattern you like the most.

- In the **"Musical mode"** tab, you can sync up the music playing on your phone (via any app) and the vibration of the toy. Just tap the **"Start listening"** button. Please note that you have to be in the **"Musical mode"** tab in the app for the toy to begin picking up music and activate.
- You can create your own pattern to the rhythm of the music by tapping on ● and begin recording, matching your tapping to the tune. Press the red icon to delete the recorded pattern.
- Press **start/pause** to turn on/pause the recording mode. Press the blue icon to save the new pattern.
- In the **"Draw something"** tab, you can control the vibration of the toy by getting visual drawing lines on the screen.
- You can create your own pattern by tapping on ● and putting the vibration mode into visuals - dots and lines or whatever else you want to draw to illustrate the desired vibration modes. Press the red icon to delete the recorded mode. Press the **start/pause** to turn on/pause the recording pattern. Press the blue icon to save the new pattern.
- In the **"Shake it"** tab, you can control the vibration of the toy by shaking your phone in the desired rhythm and potency.
- In the **"Interactive mode"** tab, you can add contacts to the list of people who will be able to control your toy through the app. Tap **+** to add a new friend.
- Choose a contact from your contact list to create a playroom. Pick a type

of interaction you want: video chat or voice chat.

- After you both enter the playroom, the other user will be able to connect to your toy, and you will be able to control their devices, too.
- In the **"Classic mode"** tab, you may choose a pattern for them.
- In the **"Draw something"** tab, you can control the vibration of their toy by drawing lines on the screen.
- In the **"Shake it"** tab, you can control the vibration of their toy by shaking the phone.
- You can send messages to your contact during the game in the **"Type what you want to say"** field.

## Warning

- Do not use on inflamed and injured areas.
- Discontinue use if feeling pain or discomfort.
- Adult novelty only. Use for medical purposes or for a use that has an adverse effect on any function of the body is prohibited.
