Cleaning and Care

- Hold the handle and turn the sleeve counterclockwise to disconnect the sleeve.
- Flip open the sleeve for thorough cleaning.

- Use a toy cleaner/mild soap with water to clean the sleeve before and after each use.
- Pat the sleeve with a towel and allow it to air-dry completely.
- Dust lightly with talc or cornstarch for better use. Store away from heat and sunlight.
- Wipe it down with a wet cloth/tissue and dry it out completely before inserting the sleeve.
- Attach the sleeve to the handle by turning it clockwise to finish the assembly.

- For deeper cleaning insert the tube into water outlet hole to avoid water from entering the body machine.
- Put sleeve into container with water to automatically suck water and clean the tunnel.
- Turn on the first suction mode to flush out the water through the tube.

- Do not get water inside the case as it is not waterproof. Wipe it down with the wet cloth/tissue and dry it out completely before inserting the sleeve.
- Use with the water-based lube only, no silicone lubricants.
- Store away from other toys to avoid chemical reactions and damage to either toy.

Warning

- Do not use on inflamed and injured areas.
- Discontinue use if feeling pain or discomfort.
- Adult novelty only. Use for medical purposes or for a use that has an adverse effect on any function of the body is prohibited.
